The Fairfield Association

Formed by residents and friends of the Fairfield area of Lancaster in 1996, to preserve, enhance and maintain public areas and amenities in the City of Lancaster, in particular the Fairfield area, for the benefit of the public.

Over the last two decades we have raised funds to re-equip the play area, establish a community orchard, a nature reserve and a public space close to the city centre, the Aldcliffe Road Triangle. All our projects are managed by volunteers.
